A NOTE BEFORE YOU ARRIVE

Welcome to Franklin

Franklin has the kind of downtown people build movie sets to imitate: Victorian storefronts, a restored 1937 theater, and a town square where neighbors still run into each other.

Step outside the historic core and you'll find walkable new towns like Westhaven, horse country in Leiper's Fork, and golf communities in College Grove. It's small-town life with Nashville about 30 minutes north.
